STEVE FIELDS STEAK & LOBSTER LOUNGE

Food	Decor	Service	Cost

Review Highlights - Carnivores claim this western Plano beefery lives up to "everything a steak place should be" with "first-rate" filets and seafood sent out in a "smart" space hosted by namesake Steve Fields who "personally drops by your table" ensuring an "all-around" "great experience". . . . The white-tablecloth setting fits the bill for an adult night out.
